Dear Attendants and Guests,

We are looking forward to celebrating our 32nd Fishing Has No Boundaries Event, May 17 & 18, 2019 with you; please help us make this a safe and enjoyable event for everyone. We have included our definitions of Attendant or Guest to help better explain your role, please choose one:

- **Attendant:** person(s) who must accompany a Participant at all times. This person is generally responsible for seeing to all Participants' needs on and off the water.
- **Guest:** person(s) who transport the Participant to and from the event site and is responsible for the Participant off the water. This person(s) may attend the meals and other on-ground activities. Due to the limited space on the watercrafts this person will not be able to go on the water.

Both Attendants and Guests are expected to contact the event site if they are unable to attend any day of the event, so that other Participants and their assigned boats are not left waiting for extended periods. Please call Sabrina if you will be arriving late or will not be coming on any of the two days.

Our insurance requires that every person who participates in the Event in any manner sign a Release of All Claims. Lost and stolen items are not covered, so please put your name on all your belongings and do not leave them unattended.

We look forward to a great event!!

Sincerely,

Sabrina Morgan
Office Manager
