Dear Volunteers,

We are looking forward to celebrating our 35th Fishing Has No Boundaries Event, May 20 & 21, 2022 with you; please help us make this a safe and enjoyable event for everyone. Enclosed you will find the Registration Forms for the 2022 Hayward FHNB event. Please feel free to make as many copies as you need. If you forget to pre-register, don't worry we won't turn you away and you can register on site.

Many people volunteer for several areas, registration table can direct you to any areas where you can assist. Placing participants on watercrafts is the first order of business of the day. If you intend to help on docks (loading/unloading or manifest) be sure to attend the Dock Crew meeting on Friday morning.

Thank you to everyone that helped serve and deliver food last year. You have no idea how much this helps everyone participating in the event. Keep up the great work.

The event goes on all day long and sometimes the people that stay on shore have a little free time on their hands. If you are staying on shore, consider bringing a book or something to occupy your time when things get a little slow. Or you can check around we might need an extra set of hands on a project.

Our insurance requires that every person who participates in the Event in any manner sign a Release of All Claims. Lost and stolen items are not covered, so please put your name on all your belongings and do not leave them unattended.

Due to the high number of forms that we receive for the event, we will not be sending confirmation that we have received your forms. Feel free to call or email if you want confirmation! Thank you!

We look forward to a great event!!

Sincerely,

Sabrina Morgan,
Office Manager
